VICTORIA JUSTICE

My Tour Musts

Backstage pass! The "Beggin' on Your Knees" singer shows *Us* her essentials

I PROBABLY HAVE 100 BEAUTY products," singer Victoria Justice tells *Us*. "But I only use 15 of them regularly!" That is, when she's not on the road. For her 41-city Summer Break tour, which kicks off in L.A. June 21, the 20-year-old's tried-and-true routine (foundation, liquid liner and mascara) gets a showbiz boost. Says Justice, "I wear lots of neon colors when I perform, so I like dramatic eye makeup and a few stick-on crystals on my cheeks!"

"I wear LipSense by SeneGence stain in Roseberry because it stays put — I only get a three-minute touch-up. Plus, it doesn't smear all over on the mic!"
